New Paris.
April 1.—This is moving day and a very snowy morning to "turn out." Hall Davis and Harry A. Long are the only two who will exchange places of residence in the village. Joseph O. Rowzer moved to our town not long since.

Norman Cuppitt, son of Samuel R. Cuppitt and a pupil of the primary school, was at school on Monday, March 24, which had an attendance that day of thirty-five. During that night he took sick and his attending physician, Dr. J. B. Stallier, pronounced it a genuine case of scarlet fever. Little hopes of his recovery are entertained. The community is very much alarmed. The attendance at school was so affected that at its close yesterday, Monday, only two pupils were present. It is hoped there may be new cases.

J. A. Cuppitt, the teacher of the above room, has had charge of that department for seven successive terms. In all he has been a teacher in the New Paris schools for fifteen terms—one term in a mixed school, eleven terms in a primary room and three terms as principal teacher; also having charge of the high school for twenty-one days to complete a term commenced by O. G. McCoy. This "old time" teacher taught his first term at the Mill school in Napier township, commencing in the autumn of 1879. C.A.
